

Important Traffic Alert

I-5 Southbound Rose Quarter Closure

September 11 through approximately October 17, 2026

What to know

- **Full southbound closure:** All southbound lanes of I-5 through the Rose Quarter, between I-405 and I-84, will be closed 24 hours a day for up to five weeks.
- **Expect major delays:** Transportation officials warn that some trips may take 2-3 times longer than normal.
- **Regional impacts:** Congestion is expected on I-5, I-405, I-84, I-205, US 26, and surrounding streets throughout the Portland metro area.
- **Portland office:** Our Portland office is very close to the affected area and will likely see the greatest impact. Wilsonville patients may also experience longer travel times.

Before your appointment

- **Check your route early:** Use Google Maps or Apple Maps 1-2 hours before you plan to leave so you can adjust your departure time and route.
- **Allow extra time:** Plan for significantly increased travel time, even if your usual route does not normally use the closed section of I-5.
- **If delayed:** Please call 971-383-1960 as soon as possible.
- **Scheduling:** To stay on time for all patients, we may need to reschedule an appointment if a significant delay prevents timely arrival.
